WHAT'S HAPPENING IN LIONLAND

Vocations Chalice

8th grade was presented with the Vocations Chalice at the conclusion of today's All-School Mass. They will be praying for vocations during the upcoming week.

Reverence:

Teachers discuss the Virtue of the Month with students by using stories and activities to engage them into seeing the virtue in action. Ask your child what he/she is learning about "Reverence" this month. [Click here](#) for the full list of monthly virtues for 2015-16.

All-School Service

Project

Service is an integral part of the mission of the Church. To help students understand that by serving others, they are serving God, they will participate in a required all-school service project each month. **Students will receive a homework grade in Religion class for each month's assignment.**

WELCOME NEW STUDENTS

Let's give a warm St. Mark welcome to the new students who joined us this week:

Leanna M. PreK₃ Mrs. Oliver

OCTOBER IS THE MONTH OF THE ROSARY

October is Rosary Month. Throughout the month of October, we will be saying the rosary every Wednesday morning at 7:25 AM in the Cafeteria with any students present at that time. Students are encouraged to bring their own rosaries with them. Faculty and staff members will also say the rosary together on Tuesday afternoons during October.

CARPOOL LINE REMINDERS

Thank you, parents, for making our morning and afternoon carpool lines run smoothly the majority of the time. **Just a few reminders so that we can continue to ensure the safety of our children and our teachers:**

- *Please **drive slowly** in all carpool lines.
- *Please **do not use your cell phone**. St. Mark is a "no cell phone" zone.
- *Please **display your name sign** in your windshield on the passenger side so that teachers can easily see it.
- *In the "single family" line at the back of the school, please **do not drive on the white parking space lines**. The area between the long sidewalk and the red "fire lane" line is considered a "safety zone," both for our students and our teachers working the carpool line.

SEEN & HEARD AROUND ST. MARK

Vocations Awareness Week: Vocations Week kicked-off on Monday for our 5th-8th grade students. Father Cliff attended the sessions and talked with our students about the significance of each vocation. The week began with the introduction of the new **NET Team of eight young adults assigned to St. Mark, and our Youth Minister, Matthew Cantrell** (who also happens to be a former St. Mark student). They spoke about missionary work, both in our community and beyond, and how excited they are to give a year (or more) of their lives to serve the Lord. [Click here](#) for more on St. Mark's Youth Ministry, or visit their [Facebook page](#). On Tuesday, the **Diocese of Dallas Vocation Director for Women Religious, Tammy Grady**, gave our students an overview of the dozen orders of women religious in the Diocese and shared

HOLY TRINITY SEMINARY

St. Mark Catholic School has formed a special relationship with [Holy Trinity Seminary](#) and takes great pride in supporting our future priests. Following are upcoming opportunities to become involved:

her personal vocation story as a Lay Consecrated Woman of Regnum Christi, whose community is called to awaken within the hearts of Catholics their baptismal call to holiness and active participation in the Church's mission of building the Kingdom and evangelizing culture. For more information, click [here](#) or [here](#). On Wednesday, our students met a **Cistercian monk, Father Ignatius Peacher, O.Cist**, who is a monk and priest from Our Lady of Dallas Cistercian Abbey in Irving. Father Ignatius, a multi-linguist and a fine arts teacher at Cistercian Prep, as well as the Novice Master at Cistercian Abbey, shared his fascinating call to monastic life and gave the students a wonderful insight into the life of a monk following the vows of Obedience, Poverty, Chastity, and Stability. Come and pray with the Cistercian monks any Sunday at the 9:00 AM Mass at Our Lady of Dallas Cistercian Abbey. More information can be found at www.cistercian.org. On Thursday, our students welcomed one of our homegrown priests, **Father Jason B. Cargo V.F., who is the Pastor of Immaculate Conception Catholic Church in Corsicana**, and whose parents are still very active members of St. Mark. He spoke about his journey to the priesthood and how it took him a long time to say "yes" to the call. For more information about his parish, visit www.iccorsicana.org. And finally on Friday, we had the pleasure of welcoming one of our very own, **Holy Trinity seminarian Parker Thompson (St. Mark Class of 2011)**, who started as a freshman at Holy Trinity Seminary in Irving in August, and who shared with us his vocation story and call to the diocesan priesthood. Please come and support Parker and all the seminarians at Holy Trinity Seminary by attending one of the

MRS. DENVIR INVITES EVERYONE TO ATTEND FRENCH MASSES AT CISTERCIAN

Because St. Mark offers French as a middle school elective, Mrs. Denvir would like to extend an invitation for students and families to attend the French Masses at Cistercian. "I would love to see students and their families join us at least once during the year because it's great to attend the Mass in a different language and to participate," she said. There is an opportunity to do the readings, and there is even a little get-together including French food bites at the end of every Mass. Masses take place at Our Lady of Dallas Cistercian Abbey in Irving every 3rd Sunday of the month at

public masses throughout the year. The next one is this Sunday at 9:15 AM. See more details at right, or [click here](#). Most importantly, our students learned that they need to listen for God's call to service, and pray daily for their vocation so God may guide them in their ongoing discernment to the vocations of marriage, consecrated single life, priesthood, or religious orders. **We are thankful for our Pastor Father Cliff for being a fantastic supporter of vocations and a wonderful leader in spreading awareness.**

St. Mark Career Week: Thank you to the nearly 50 parents who presented information about their careers to our 1st-4th graders this week! We heard from a **CPA, engineers, registered nurses, doctors, pharmacists, an aerospace machinist, a public safety officer, a forester, a firefighter, a medical physicist, a state representative, and a food company executive**, just to name a few. Our students learned that they can become anything they desire, thanks to our wonderful parent volunteers who took time out of their day to share with our students.

Anti-Bullying/Kindness Assembly: Today, our students gathered after Mass to participate in our annual Anti-

10:30 AM with Fr. Ignatius O.Cist (who just spoke to our students during Vocations Week), and/or Fr. Roch O.Cist. Upcoming French Mass dates: October 18, November 22, December 20, January 17, February 21, March 20, April 17, and May 15.

MS. WILLIAMS NEEDS BOTTLE CAPS

Art teacher, Ms. Williams, is collecting bottle caps. She needs blue, green, yellow, orange, red, black and clear. If your child brings in a minimum of 20 caps at once, he/she will receive a "Caught Being Good" certificate!

AT ST. MARK, WE SERVE.

Last Friday, our faculty and staff came together to give back to the community at Hope's Door and St. Vincent de Paul. It was a great afternoon of volunteering for these two worthy causes.

Bullying/Kindness Assembly. **St. Mark alumnus Tom Scott (Class of 2004 and Pan Am Olympic Gold Medalist in Karate)** from the [Academy of Classical Karate](#) in Plano spoke to our students using "sports" metaphors, and told them that they control their own actions and behaviors, and their that behaviors, both positive and negative, are choices. Our students really took ownership of the concept by presenting posters, songs and skits showing anti-bullying and kindness in action. Every St. Mark student also pledged to be kind to others and to prevent bullying in the spirit of "LION PRIDE" by signing large posters which will be displayed prominently in our hallways. They discussed the fact that St. Mark is their school and their "home away from home," and it's up to them, in large part, to maintain the supportive and caring environment that they want for themselves and for all St. Mark students. Nice job, students!

Fall Enrichment Clubs Begin: Our Fall Enrichment clubs kicked-off with a bang this week! Hundreds of St. Mark students of all ages are participating in activities ranging from Chess and Engineering to Art and Math clubs. Learning while having fun is the goal!

3rd Grade Flat Francis: In celebration of Pope Francis' recent visit to the U.S., our 3rd grade students did a project where "Flat Francis" was sent out into the world and they wrote about his travels.

IN ALUMNI NEWS...

3rd Grade Studies Live Creatures: On Tuesday, our 3rd grade students looked at the body parts and structures of live snails, ladybugs and worms to determine ways to classify them. One student exclaimed, "It sure is different to look at the real thing instead of a picture!"

(photo removed)

8th Grade Communication Skills: Our 8th grade students have been practicing their personal communication skills. Recently, they did an exercise where one person was blindfolded and had to direct their partner to put together a puzzle without touching the person or the puzzle pieces.

LION PRIDE!

hikeforlife

Thank

you to everyone who participated in the 2015 "Hike For Life!" The St. Mark Catholic School "Respect Life Club" Team finished in first place for fundraising for the second year in a row! But even better, our team raised \$4,710 for mothers and babies! That's \$1,600 more than last year. Our school and club were recognized at the opening ceremony of the Hike For Life, and Mr. James Widman, Coordinator for Plano HFL, said that our team was an

inspiration to him and all of the hikers. We also had several door prize winners from St. Mark in the "Knowledge Quest" and "New to Life" search contest/drawing: Adrienne F., Maria Q., Samuel D. and Ambrose D. Raising Cane's is donating gift certificates for all St. Mark students as a reward for surpassing our fundraising goal of \$3,100, and Bahama Bucks is donating a snow cone party for RLC members at an upcoming club meeting. Congratulations to all who were involved!
