Dear Parents,

We give you back your child, the same child you confidently entrusted to our care last fall. We give your child back pounds heavier, inches taller, months wiser, more responsible, and more mature than before. Although your child would have attained this growth in spite of us, it has been our happy privilege to watch your child's personality unfold each day and marvel at this splendid development. We return your child reluctantly; for having spent ten months together in the narrow confines of a classroom, we have grown close, and become a part of each other.

If you wish to take advantage of the summer months for continued learning, please refer to the attached memo for suggestions and ideas. Thank you for taking the time to read it.

Please call on us if there is anything we can ever do for your child. Have a wonderful summer!

In God's love,

Mrs. Dansby
